

**HOMES FOR THE AGED
RESIDENT SERVICE PLANS
REFERENCE GUIDE - RELATED RULES**

The following administrative rules all relate to the content of resident service plans.

- _____ 1922(3)(a) Home shall provide room, board, protection, supervision, assistance, and supervised personal care consistent with the resident's service plan.
- 1901 Definitions:
- "Room and board" – providing housing and meals to meet the needs of the resident
- "Protection" – the continual responsibility of the home to take reasonable action to ensure the health, safety, and well-being of a resident as indicated in the resident's service plan, including protection from physical harm, humiliation, intimidation, and social, moral, financial, and personal exploitation while on the premises, while under the supervision of the home or an agent or employee of the home, or when the resident's service plan states that the resident needs continuous supervision.
- "Supervision" – guidance of a resident in the activities of daily living and includes:
- reminding a resident to maintain medication schedule
 - reminding a resident of important activities to be carried out
 - assisting a resident in keeping appointments
 - being aware of a resident's general whereabouts as indicated in the resident's service plan, even though the resident may travel independently about the community
 - supporting a resident's personal and social skills.
- "Supervised personal care" – means guidance of or assistance with activities of daily living provided to the resident by a home or an agent or employee of a home.
- _____ 1922(2)(b) Home shall not accept an individual seeking admission unless individual's needs can be adequately and appropriately met within the scope of the home's program statement.
- _____ 1922(9) Home shall not admit a resident who requires continuous nursing services of the kind provided in a nursing home as specified in MCL 333.21711(3) and 333.21715(2).
- _____ 1931(2) Home shall treat a resident with dignity and his or her personal needs including protection and safety, shall be attended to consistent with the resident's service plan.
